**Subject:** Meet-and-Confer re Buergofol's ROG 12

Dear Lester,

Upon my return to the office today after a six-day vacation, I am catching up on my correspondence. I observed that you and your brother Darien have sent a number of meet-and-confer emails during my absence (including the one below). I will need some time to thoroughly review these and prepare comprehensive meet-and-confer responses.

I aim to review your meet-and-confer emails and respond to you by the end of this week, or at the latest, by early next week.

Best regards,

Michael S. Neustel  
U.S. Patent Attorney
